### **Mural Inspirations Gives 25% of Its Sales to the Maria House and Will Make a Child's Dream Come True This Holiday Season**

**DUBUQUE, IA** –Many holiday shoppers have the dilemma of what to buy for those special people in their lives. They want a gift to be enjoyed, to last, not be cheap, and stay in their budget. One local company is able to give just that: quality gifts that will be cherished forever, last a lifetime, and have a great price tag as well.

Mural Inspirations, specializing in creating beauty for the home, is giving away a Free children's themed mural for Christmas. In the spirit of holiday giving they are offering the chance for people to sign up and win a mural. To make it a truly special gift the winner will be notified on Christmas Eve.

Sarah Barnes, President of Mural Inspirations, explains that the gifts that stand the test of time and have heirloom quality are barely available anymore. She says, "We are in the business of creating beauty for your home that lasts a lifetime. That is why every item in our store is hand-painted or hand-created in some way. If we dream it we can do it! What is your dream?"

Mural Inspirations, is a company where people can find that perfect one-of-a-kind gift for their special someone. The holiday season is one of giving, that's why they have given 25% of their November sales to the Maria House (a local women's shelter in Dubuque, IA) and they would also like to make a dream come true for a special child by giving away a Free children's themed mural. Make a holiday gift something special and buy something that will last forever. One can visit their beautiful home boutique and sign up for a chance to win a mural.
